Personal Summary

Detail-oriented and skilled software developer with a strong academic foundation, holding a Bachelor of Computer Science (BCS) degree from Kusumtai Rajarambapu Patil Kanya Mahavidyalaya, Islampur. Proficient in multiple programming languages, including Dot Net, C, C++, Java, SQL, and foundational knowledge of Python. Experienced in web technologies such as HTML, CSS, JavaScript, and Web API development, with a solid grasp of database management using SQL and MySQL. Adept at developing efficient and innovative solutions, with a passion for problem-solving and continuous learning to adapt to evolving technology trends.

Core Technical Skills

- **Languages:** C, C++, C#, Java, Python, SQL
 - **Web Technologies:** HTML, CSS, JavaScript, Asp.Net, Asp MVC, Web API.
 - **Database Management:** MySql
 - **Tools:** VS Code, Visual Studio 2022, Microsoft SQL Server Management Studio
-

Education

- **Bachelor Of Computer Science**
Kusmtai Rajarambapu Patil Kanya Mahavidyaly Islampur (2021–2024) – 71.73%
 - **12th Grade**
Yashwantrao Chavan Warna Mahavidyalay Warnangar (2021) – 88.83%
 - **10th Grade**
Kodoli Highschool Kodoli (2019) – 81.80%
-

Notable Projects

Online Examination System

Technologies Used: ASP.NET MVC, Entity Framework (Code-First Approach), HTML, CSS, JavaScript, Bootstrap

Developed an Online Examination System to streamline the examination process for both administrators and students.

- Key Features:
 - User authentication and role-based access for administrators and students.
 - Question bank management, including adding, editing, and deleting questions.
 - Online test creation with features such as time limits, random question generation, and automated scoring.
 - Responsive and user-friendly interface built using HTML, CSS, JavaScript, and Bootstrap.
 - Integrated Entity Framework with Code-First approach for database management and schema design.
 - Outcome: Delivered a reliable and efficient system that enhanced the examination process, reduced administrative overhead, and improved user experience for both students and administrators.
-

Certifications & Achievements

- Certification in Dot Net
 - Certification in C
 - Certification in C++
 - Certification in Java
